

About God

We believe in one God in three co-equal persons: the Father, Son and Holy Spirit.

About God's Word

We believe the Bible is verbally inspired by God and inerrant in its original writings.

About Jesus

Jesus, the son of God, died for our sins and all who believe are justified because of his death on our behalves.

About Resurrection

The Lord ascended to Heaven where he lives now as our advocate.

About the Holy Spirit

The Holy Spirit convicts us of sin, righteousness and judgement. He's the life of each believer and empowers the preaching of the gospel.

About Mankind and Salvation

Man was created in God's image and sinned, causing separation from God. Salvation is offered to everyone by grace and received by putting your faith in Christ.

About the Enemy

We believe Satan is the author of sin and the declared enemy of God and man. He still works to destroy men and all who don't believe will spend eternity separated from God.

About the Church

We believe God's command to be baptized by immersion and to celebrate communion. The church's mission is to share the gospel and its endeavors should be supported financially by the church's members.
